Hey neighbors, I'm sure all of you are aware that there are many unresolved issues with our neighborhood that the developer is responsible for, but we know he has no plans to fix them and is now reportedly moving away.

It seems to me the advice of the city attorney to lawyer up will be a waste of time and money especially if Frank the developer claims bankruptcy.

In my opinion, the best course of action would be to schedule a time on the city hall agenda to have our case heard with all of the problems the engineer has noted that [Karla Cobbs](#) has posted here previously. This will require everyone to participate, attend, and compile evidence of the issues caused by the developer.

Please let me know your thoughts.
